LETTER OF RECOMMENDATION

THE OLINGA FOUNDATION FOR HUMAN DEVELOPMENT LITERACY

CAMPAIGN

The OLINGA FOUNDATION FOR HUMAN DEVELOPMENT is an organization which aims at improving instructional method of teaching reading using the local languages. It deals with cross-cutting issues with emphasis on Moral Education, very relevant to both Primary and Junior Secondary Schools

The Foundation which began its work in 2001 in Ghana has covered the Eastern and Western Regions, as well as the North Tongu District in the Volta Region.

In view of this, I wish to recommend the establishment of the Foundation and its instructional program in the other District in order to afford it the opportunity of contributing to improvement in the quality of education in Ghana.
